The Honorable Rosa DeLauro
Ranking Member
House Appropriations Committee
1036 Longworth HOB
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Donalsonville Hospital, Inc. Nursing Home Backup Generator and Specialized Stretchers Expansion in the Fiscal Year 2027 Labor, Health and Human Service, Education, and Related Agencies Appropriations Act. The entity to receive funding for this project is Donalsonville Hospital, Inc., which is located at 100 Florence Avenue, Donalsonville, GA 39845.

The funding would be used for the purchase of a backup generator and for specialized stretchers for their emergency room. It is an appropriate use of taxpayer funds because it will provide the necessary backup system in case there is a power failure for the nursing home portion of the hospital, and ensure that emergency room patients are provided with the latest technology in stretchers.

The project has a Federal nexus because the funding provided is for purposes authorized under the Public Health Services Act.

I certify that neither I nor my immediate family have any financial interest in this project.

Sincerely,

A handwritten signature in blue ink that reads "Sanford".
