The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations  
1036 Longworth House Office Building  
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Warner Robins Green Street Corridor Streetscaping project in Fiscal Year 2027. The entity to receive funding for this project is the City of Warner Robins, which is located at 700 Watson Boulevard, Warner Robins, GA 31093. The funding would be used for streetscaping the Green Street Corridor in Warner Robins to provide for improved safety and multi-modal access. The project is an appropriate use of taxpayer funds because it will revitalize Warner Robins's Downtown Core and improve connectivity within Middle Georgia. This project would foster increased commerce, revitalize an underutilized area, reduce transportation barriers, promote community interconnectivity, decrease transportation costs, and improve the quality of life of residents and visitors.

The project has a Federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C.5305(a)(1), 5305(a)(2), 5305(a)(4), and/or 5305(a)(5).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Sanford D. Bishop, Jr.  
Member of Congress
